Notes:

1. **There are minimum and maximum class sizes for all courses. To reserve a seat or seats in any course, please email to training@proconsystems.com the following information (unless directed otherwise on the training link above):**
 1. **The name(s), email address(es) and phone number(s) of the attendees**
 2. **A contact name, email address and phone number of the registering person (if different)**
 3. **A PO# to cover the costs**
2. **All courses are held at Procon Systems office in Edmonton, AB unless otherwise stated.**
3. **This schedule is subject to regular update, additions and potential deletions depending upon interest, special timing or course requests and/or conflicts. Please check here often. If you have signed up for a course, you will be notified by email of any changes.**
4. **If you would benefit from a special course, timing and/or location, please contact training@proconsystems.com with your request and we will try to accommodate you.**
5. **Please note that a course may be canceled or rescheduled if insufficient interest warrants. Those who have registered will be notified as promptly as possible and 100% of all costs refunded.**
